CONDITIONS OF SALE

- 1.** The expression 'we', 'us', 'ourselves', refers to Tamar Organics. The trading name of partnership C.J.Guilfooy and D.N. Richards.
- 2.** The expression 'the purchasers' refer to the persons, firms or companies contracting with Tamar Organics for the purchase of its products.
- 3. GENERAL** This offer is subject to crop, to safe arrival, to being unsold, to alteration without notice and to the general terms of our catalogue. Seeds sold by Tamar Organics (which are the subject of this contract) are warranted to comply at the time of delivery with the UK Seeds Regulations currently in force. All vegetable seeds are 'standard' seeds unless otherwise stated. All information whether contained in our catalogue or given by our staff and related to varieties, varietal characteristics or periods of maturity or fitness for any particular purpose or otherwise relating to the performance of seeds is given for general guidance only. (Variation in local or climatic conditions can render such information inaccurate). Purchasers are therefore advised that any such information given to them does not constitute a representation by Tamar Organics as to these matters and should not be relied on as such. Purchasers should satisfy themselves that any seeds which they order are of a variety and performance satisfactory for their requirements and order such seeds at their own risk.
- 4. LATENT DEFECT** Diseases of plants can be transmitted by the wind, by insects, by animals, or by human agencies and may be seed borne or soil borne. Tamar Organics believes the seed hereby sold to be free from latent defect but it is not a condition of sale nor does Tamar Organics warrant that any seed sold by it is free from such defect nor will it be responsible in any way for the resultant crop.
- 5.** Tamar Organics reserves the right to refuse the return of seeds. Tamar Organics also reserves the right to make a charge against any such returns. All seed returns must be in unopened original packaging.
